

## Key Challenges

- Resident safety & well-being
- Occupancy recovery
- Cybersecurity
- Labour shortages
- Employee satisfaction

## Who We Are

At GlobalDWS, we understand the challenges of retirement home operators. Our technology solutions for the senior living sector are designed to improve the lives of residents and assist staff in a variety of ways.

## Entertainment

- Customized media (music, videos, books and more)
- Trivia games and jokes
- Dancing capabilities
- Remote Video and Audio Calls

## Resident & Community Engagement

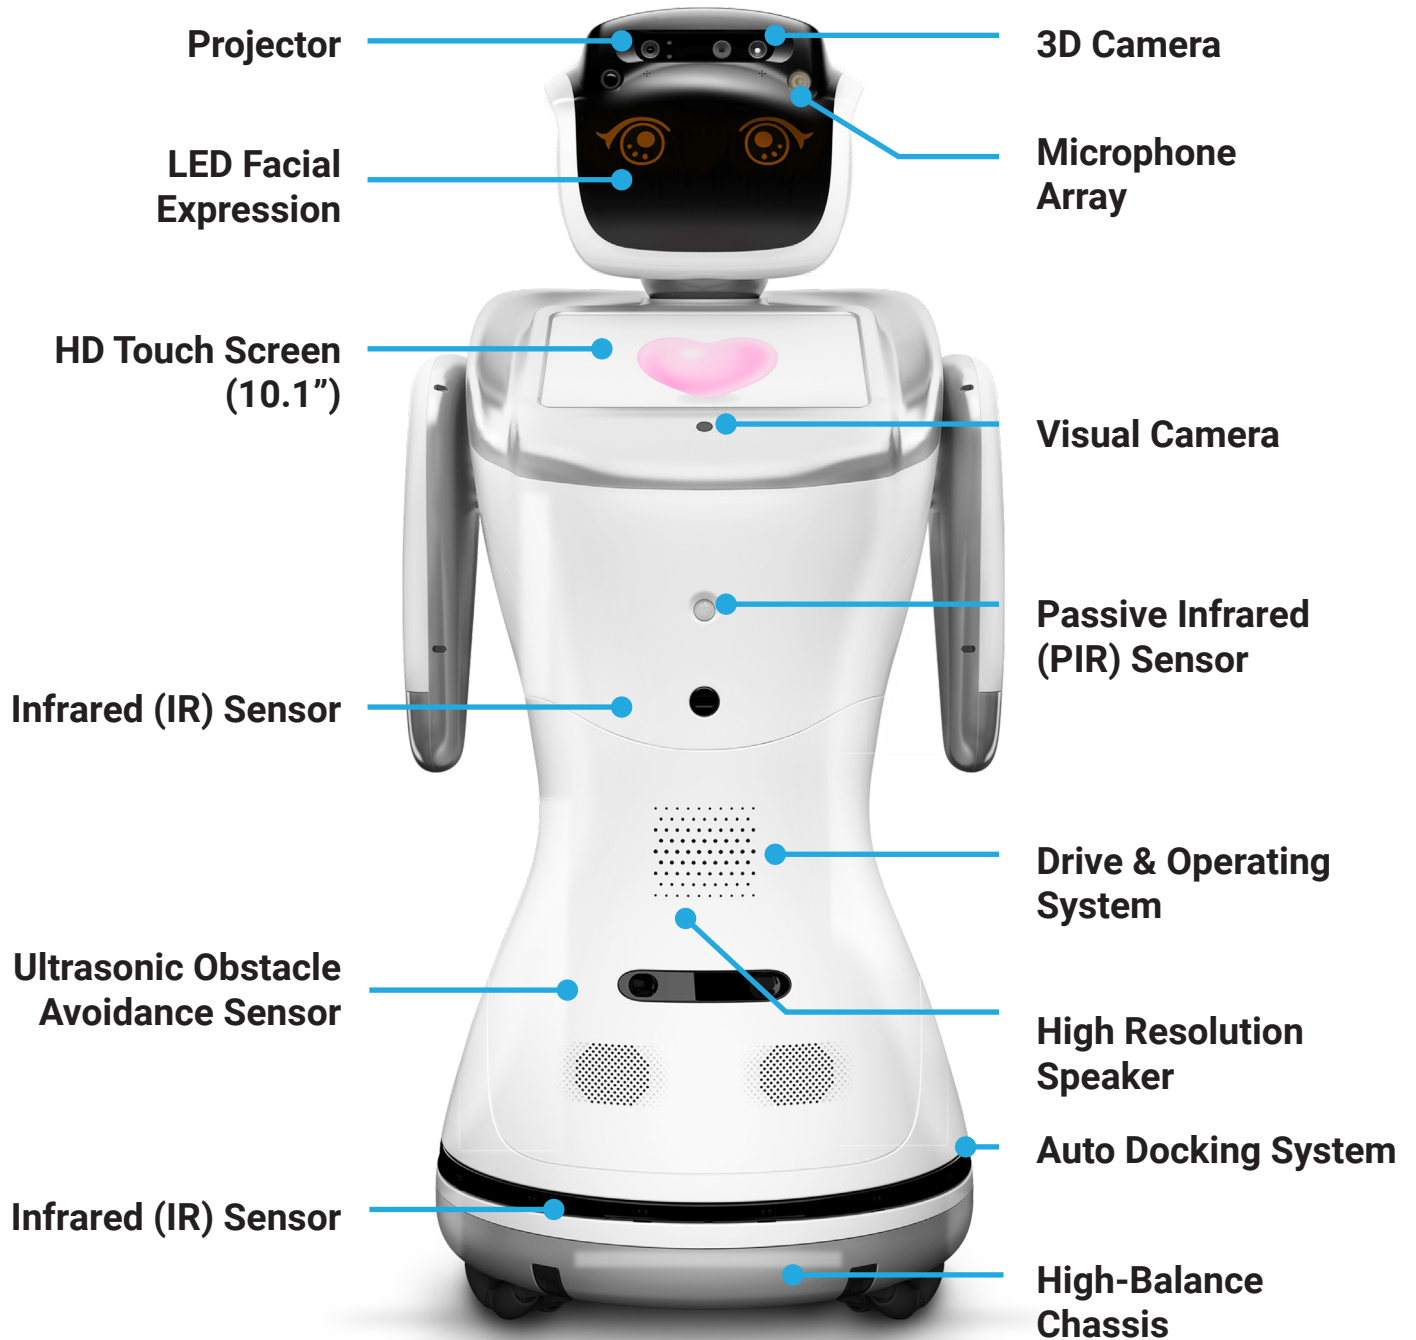

- Class/Program schedule integration
- Weather, News and Menus
- Video projection for group activities

## Safety and Security

- Resident monitoring for incidents
- Instant communication with staff
- Secure visitor check-in/check-out with optional facial recognition capabilities

# Social Engagement Robot

GlobalDWS has streamlined the process of content management with our online portal. Now, clients have the flexibility to manage their content quickly and easily. This lowers after-sales support costs by reducing the need for technical support.
